INTRODUCTION

The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visit the institute to conduct interviews. We have been successful in maintaining our high placement statistics over the years and the fact that our students bear the recession blues with record breaking placements itself is a testimony to our quality. Our ingenious alumnus have set new standards in the corporate world through their estimable contributions and it is my firm conviction that we will continue that legacy in the years to come. The Placement Cell organizes career guidance programmes for all the students starting from first year. The cell arranges training programmes like Mock Interviews, Group Discussions, Communication Skills Workshop etc and it also organizes Public Sector Exam Training for students who are interested to join Government Sectors. It also invites HR Managers from different industries to conduct training programmes for final year students. TATA CONSULTANCY SERVICES has accredited our college in the year 2011, from which they are visiting our college every year for conducting Placement Training programmes and Campus Interviews.

OBJECTIVE

Developing the students to meet the Industries recruitment process

To motivate students to develop Technical knowledge and soft skills in terms of career planning, goal setting

To motivate students aspire for higher studies and guiding them to take competitive exams such as CAT, GATE, TOEFL, GRE, IES, UPSC, TNPSC etc

Aiming to Place the maximum number of students through campus & off-campus interviews conducted by the top companies

Providing resources and activities to facilitate the career planning process

Career Development Programs organized by Training and Placement Cell
